Dünya standartlarını zorlayan teknolojimiz ile; Türkiye'nin en büyük kent mobilya imalatı **ARS PARK A.Ş.** Türkiye'nin en büyük su deposu imalatı ve **SPAARKS** ışıklı dekorasyon ürünler ile **BRS PLASTİK A.Ş.** Türkiye'de üretilmiş olan ürünlerin Dünya pazarına girmesine ve yurt dışı yatırım danışmanlığı hizmeti veren **ÜMİT GİRİŞİM A.Ş.** İnsanların kendini özel hissedeceği yaşam alanları oluşturan inşaat sektöründe **4MP GROUP LTD. ŞTİ.** Bölgesinde en çok takip edilen doğru ve ilkeli haber kaynağı **SELÇUKLU İPEKYOLU YAYINCILIK LTD. ŞTİ.**

BRS Plastik 2010 yılından bu yana,kaliteli hizmeti ve dürüst ticareti kendisine ilke edinerek sektöründe kazanmış olduğu tecrübeyle " Endüstriyel " ve " Dekoratif Işıklı Ürünler" alanlarında faaliyet göstermektedir. BRS Plastik, ürettiği ürünlerin müşterinin zevkine hitap eden, yüksek kaliteli ve müşterinin ihtiyaçlarını tam anlamıyla karşılayacak bir çizgide olmasına özen göstermektedir. Bunu gerçekleştirmek için firmamız, yüksek teknolojilerle donatılmış Konya Büsan Organize Sanayi Sitesi'ndeki tesisinde üretim faaliyetlerini sürdürmektedir.

BRS PLASTİK Ailesi olarak 2012 yılı itibariyle başladığımız imalat sürecinde geniş ARGE çalışmaları neticesinde SPAARKS MARKASINI çağımızın gereği LED aydınlatmaları, Plastik ile birleştirerek mimari ve görsel anlamda gündelik hayatımızda Oteller, Düğün Salonları, Eğlence Merkezleri, Cafe'ler gibi günlük kullanım alanlarında görsel bir şov sunmaya başladık, 2013 yılı başlarında Polietilen hammaddeyi AR-GE çalışmalarımıza dahil ederek bu malzemelerden Avrupa standartlarında ve Uzakdoğu maliyetlerinin altında istenilen ebat ve görsellikte standart üretim dışında butik imalatı da üretim prosesimize katmış bulunmaktayız.

Who Are We?

We as **ARS GROUP**, together with **ARS PARK A.Ş, BRS PLASTİK A.Ş, ÜMİT GİRİŞİM A.Ş, 4MP GROUP** and **SELÇUKLU İPEK YOLU** organisations, have been offering quality service for many years with the aim of being Turkey's gateways to the World.

With our technology that is in compliance with World standards; Turkey's largest city furniture manufacturer, **ARS PARK A.Ş.** Turkey's largest water tank manufacturer and producer of **SPAARKS** light decorative items, **BRS PLASTİK A.Ş.** Marketer of locally produced products to the World market and foreign investment advisory services provider, **ÜMİT GİRŞİM A.Ş.** In the construction sector, constructor of residential areas that make people feel special, **4MP GROUP LTD. ŞTİ.** The source of the most trusted and followed news in the region, **SELÇUKLU İPEKYOLU YAYINCILIK LTD. ŞTİ.**

Since 2010, BRS PLASTİK with its set principle of high quality service, fair trade and gained expirience in the sector, had started to operate on "Industrial" and "Light Decorative products". BRS produces high quality appealing products that ensure customer's needs are met. To accomplish this, our company's production activities take place in a high-tech facilitiy which is located in Busan Organised Industrial Estate in Konya.

From 2012, the BRS PLASTİK family came up with the SPAARKS brand as a result of extensive R&D in our manufacturing process. SPAARKS brand includes products that are in line with the latest trends, using LED lights that are incoporated in plastic to appeal visually and can be found in our daily lives in places like hotels, wedding halls, entertainment centres, cafes; where we started offering visual shows there. From 2013, as a result of R&D, we started using polyethylene raw material that is in line with European standards and cheaper than the ones produced in the FarEast. We also produce products according to customers specifications that are not available in our standard product list.

WHY VERTICAL FARMING?

NEDEN DİKEY TARIM?

Tarımsal alanlardaki verimin düşük olması ile üretimin daha fazla artması. Tarımsal alanlardaki maliyetin ve işçiliğin yüksek olması. Tarımsal alanlardaki toprak yapısı ve ekolojik dengesinin bozulması. İklim şartlarının elverişsiz olması. Sulama ve gübreleme maliyetlerinin yüksek olması. İşçilik giderlerinin fazla olması ve ekipman yetersizliği. Sanayi alanlarına yakın olan arazilerin, kimyasal atık ve gazlardan zarar görmesi.
